2. The Swamigal wants a hearing and requests that the order of the M.C. may be stayed meanwhile. The petition requires to be stamped under the rules. It might perhaps be returned for being sent duly stamped.

3. It may however be stated that the question has been examined carefully before the M.C., a version of which is now being, was heard

Gen. Secy, 1/11

4) The situation is one created by the Swamigal himself. The M.C. explains the case fully and is exceedingly reasonable. (Vide para 2). The affairs of the Temple were not properly managed and the dual control by the Muzai officers and the Swamigal was found anomalous. The D.C. proposed appt of Dharmadarsi but the M.C. saw that the Mutt's position was peculiar and proposed that it may be sole Dharmadarsi, rendering accts and subject to inspection. To this the Swami objected. The only course left were either discontinuance of grant or control through Dharmadarsi. Even now it is open to the Swamigal to agree to the arrangement formerly suggested by the M.C. The petition may perhaps be forwarded to the M.C. for dispt. and the Swami informed that he can continue as sole Dharmadarsi on the conditions proposed by the M.C.
